

Work Mates Program

Looking for work, but not sure where to start?
Currently employed but require additional on-the-job support or assistance to upskill?

Our Work Mates Program is a great way to develop your existing skills and get you started on your journey to maintain or secure employment.

Our program is designed to engage and inspire you, help you discover your passion, identify your goals, and support you on your path to employment. Once you have secured employment, our supports remain in place to help ensure long-term employment success.

How we support you

We'll work with you one-on-one to create a learning plan and our Trainers will support you to build your skills and confidence. Being part of our Work Mates Program will give you the opportunity in both one-on-one and group sessions to:

- Feel inspired about learning new skills and looking for work
- Make friends and connections in a fun environment
- Set goals and identify pathways to achieve them
- Build confidence, grow independence and develop self-belief
- Create a great resume and learn job interview skills
- Learn how to search and apply for jobs
- Develop positive workplace behaviours and seek employment
- Understand the workplace environment

Continue your employment journey

We also offer a combination of group excursions and one-on-one activities which includes:

- Group and individual work placements in different industries to help discover your passion
- Develop independence through travel training
- Identify opportunities for further study
- Gain relevant qualifications
- Small business mentoring
- Provide introductions to industry specialists
- Tailored and individualised guidance and support

When you're job ready, we will also assist you with the transition from our program to employment or the Disability Employment Service and provide ongoing support.
